

<b>Program Name</b>	<b>Title V Delinquency Prevention Program</b>
<b>Program Description</b>	These grants increase the capacity of local governments to support the development of more effective delinquency prevention programs through risk and protective factor focused programming.
<b>Federal Agency</b>	Department of Justice
<b>Federal Office</b>	Office of Juvenile Justice and Delinquency Prevention
<b>Authorization</b>	The Incentive Grants for Local Delinquency Prevention Programs Act of 2002.
<b>Funding Type</b>	Formula/Block Grant
<b>Uses of Funds</b>	Grants provides communities with funding and a guiding framework for developing and implementing comprehensive juvenile delinquency prevention plans. The Community Prevention Grants Program integrates six fundamental principles -- comprehensive and multidisciplinary approaches, research foundation for planning, community control and decision-making, leveraging of resources and systems, evaluation to monitor program progress and effectiveness, and a long-term perspective—that combine to form a strategic approach to reducing juvenile delinquency.
<b>Initial Recipients</b>	State Government
<b>Applicant Eligibility</b>	All state agencies designated by the Chief Executive under Section 299(C) of the JJDP Act are eligible to apply for Title V funds.
<b>Application Process</b>	States will invite units of local government that meet the eligibility requirements to apply for funding and will competitively select those jurisdictions that meet the minimum criteria specified in the federal guidelines.
<b>Flow of Funds</b>	After OJJDP awards grants to the states, the State Advisory Group,

	in consultation with the state agency, awards subgrants to units of local government through a competitive process.
<b>Funding History</b>	FY 05: \$23,686,452; FY 06 est: \$4,640,256.
<b>Matching Requirements</b>	States or units of local government must provide a 50 percent cash or in-kind match.
